THE PRESIDENT'S MESSAGE

By Eric Hubbard

June 1998

**"Here I sit all broken hearted. Tried to hunt but never started."
I sure hope everyone else is taking advantage of the weather.
I'm too busy trying to get a yard put in, but enough sad songs
about me.**

**We'll have an excellent speaker this month and its something a
little different. Doyle McClain, one of our members, is going to
share some of his hobby of lapidary work with us. Fred tells me
he has done some interesting work. Maybe we'll even learn what
kind of fortunes we're stepping over when we detect.**

**I want to remind everyone who signed up to help with the Coin
Show that this is the month. Especially those of us with mailing
assignments. If you didn't sign up to work you should at least
find time to go and look around. Last year was really fun.**

Better go and do some more tilling. See you all on Thursday.

Eric
